EMGN-26 Keypoints:

- The EMGN Annual Meeting is one of the largest international materials science meetings in the region.
- The EMGN Annual Meeting aims to provide a forum where materials scientists, especially early career researchers, can present and discuss their findings with experts in all fields of materials science.
- The EMGN-26 Annual Meeting will take place on **26—27 October 2026** in Marrakech, Morocco.
- It will go ahead **in person** but there will be a possibility to present **online** (virtually).
- It will feature talks and panels covering a diverse range of materials science, materials engineering, and materials science-society topics.
- Abstract submissions (max. 350 words) will be accepted until **31 July 2026**. Please read the **Guidelines** on the website before submitting.
- The EMGN-26 encourages submissions of research works from all regions of the world. Read about our EMGN-26 **Publication Plan**.
- Discover the **Related Events** which also aim at addressing research topics that support the UN SDGs.
- Contact us, if you need more information: contact@emgn-meeting.org.

We invite you to come to Marrakech and participate in an exciting conference in a stimulating environment!
